Mr. and Mrs. S. E. Fenegan and son of Proctorsville, N. C., spent Thanksgiving at the home of O. J. Fenegan.

Mrs. Peter Hyatt an aged lady of the Latta section died on the 23rd of November and was buried on the following day at Catfish church. Dr. Kirkland of the Methodist church conducted the burial ceremony at the grave.

On Thanksgiving morning at 8:30 the First Methodist church of Latta was the scene of a very simple but impressive marriage. The contracting parties were Miss Bessie Berry, oldest daughter of Mr. and Mrs. T. W. Berry and Prof. R. T. Fairley, superintendent of the Latta High Schools. The bride and groom entered the church together, having no attendants, except little Cleo Edwards, niece of the bride, dressed in pink, who represented cupid. The church was tastefully decorated with potted plants and ferns. The ring ceremony was used and the ceremony was performed by the pastor of the bride, Dr. W. C. Kirkland.

Misses Bessie and Christine Berry spent Wednesday in Florence.

Mrs. Ada Edwards formerly of the Latta High School faculty but who now teaches in Kershaw spent Thanksgiving with her brother, O. J. Fenegan.

Dr. and Mrs. E. P. Alford spent Sunday in Loris, S. C.

## Campaign for Adult Blind.

Tuesday morning promptly at 9 o'clock a committee composed of a number of Dillon ladies will begin a campaign for the adult blind. These unfortunate people have a workshop at Columbia where they are trying to earn a living, but they are badly in need of equipment in the way of machinery that will help them to make the workshop self-sustaining. Similar campaigns are being conducted in every town and city in the state and Dillon will be asked to contribute her share towards this worthy enterprise. It will be a cash campaign and no pledges will be taken. Dillon folk will be asked to give what they feel able to give in the way of cash. Mr. T. M. Glenn, field agent was here last week arranging for the campaign. The campaign begins at 9 o'clock Tuesday morning.

## Methodist Church Dedicated

Dillon's handsome Methodist church was formally dedicated last Sunday morning, the dedicatory sermon being preached by Bishop Darlington. The service was in the nature of a union service, the other churches of the town joining with their Methodist brethren on this happy occasion. Bishop Darlington preached a strong, impressive and scholarly sermon and for more than an hour held the undivided attention of the large congregation. The history of the church and the unfortunate fire which destroyed the handsome edifice, the struggles of the congregation in rebuilding are all so familiar to Herald readers that it is not necessary to repeat them on this occasion, and now everybody, irrespective of denomination, rejoices in the fact that the members have overcome their difficulties and once more have their church clear of debt.

## Marries \$3,000 Girl.

Saluda Standard. Catherine Peterson, 19 years old, of Joliet, Ill., who offered to marry any one who would give \$3,000 to complete her education, has been married to John E. Miller of Shreveport, La.

Miller offered her the money without any restrictions, but she refused. He went to her home and "fell in love with her." Before they were married he paid her \$3,000.

## NOTICE.

**Columbia Dry Batteries**  
work better and last longer  
—for bells and buzzers  
—for thermostats  
—for gas engines  
—for dry battery lighting in closets, cellar, garret, barn, etc.  
—for ignition on the Ford while starting. Patented to cold weather "talks"

**How many uses you have for Columbias!**  
FOR bells, buzzers, thermostats, alarms, etc., use Columbia "Bell Ringer." Little package of big power. You need but one.  
For gas engine ignition; for tractor ignition; for ignition on the Ford while starting; always Columbia "Hot Shot" Ignition Battery No. 1461. Starts quick, regardless of cold weather. Solid package of 4 cell power (6 volts). Fits under the front seat of the Ford.  
Sold by electricians, auto supply shops and garages, hardware and general stores, and implement dealers. Look for the name Columbia on the label.

**Columbia Dry Batteries**  
—they last longer

## At Eight Miles an Hour, or Eighty

**WHETHER** crawling along at a snail's pace in congested traffic or hitting the high spots on an open country road, "Standard" Motor Gasoline will fire smoothly and burn up completely.

That is why its sales are climbing out of all proportion to the increase in total gasoline consumption.

Experienced drivers who have tried a filling of the improved "Standard" Motor Gasoline would cheerfully go far out of their way to place repeat orders.

But that is not necessary. Reliable dealers handling this ideally balanced motor fuel are to be found on both sides of the highway wherever you travel. They charge no more for "Standard" Motor Gasoline than others ask for inferior grades masquerading under fanciful names.

If your motor is sluggish have the carbon cleaned from cylinders and spark plugs, empty the old diluted oil from your crank case, and after washing with a pint or so of kerosene, fill with POLARINE of the grade specified for your car. Then put "Standard" Motor Gasoline into your fuel tank and see what a good car can do.
